

Petridishes

Precision Petri Dishes for Laboratory Excellence

Engineered for precision and reliability, Skanem's Petri dishes support critical laboratory applications ranging from microbiological analysis and cell culture to environmental monitoring and quality control. Combining outstanding transparency, consistent manufacturing quality, and user-friendly handling, they help ensure accurate, reproducible results throughout the testing process.

Trusted by laboratory professionals across research, diagnostics, pharmaceutical production, and industrial testing, Skanem's Petri dishes deliver the performance and confidence required in today's demanding laboratory environments.

Cat.No.	Designation	Ribs	Dim. mm	Material	Quality
1064	Petridish 50 mm clear	3	50 X 15	PS	AS
1065	Petridish 90 mm clear	3	90 X 16	PS	AS
1066	Petridish 90 mm clear	0	90 X 16	PS	AS
1067	Petridish 90 mm blue	3	90 X 16	PS	AS
1068	Petridish 90 mm yellow	3	90 X 16	PS	AS
1069	Petridish 90 mm red	3	90 X 16	PS	AS
1070	Petridish 90 mm green	3	90 X 16	PS	AS
1071	Petridish 90 mm purple	3	90 X 16	PS	AS
1072	Petridish 90 mm black	3	90 X 16	PS	AS
1075	Petridish 140 mm clear	3	140 X 20	PS	AS
1080	Contact plate 55 mm clear	3	50 X 14,5	PS	AS
1012	Petridish 90 mm, clear, BD	3	90x 14,7	PS	AS
1013	Petridish 90 mm, blue, BD	3	90x 14,7	PS	AS
1014	Petridish 90 mm, green, BD	3	90x 14,7	PS	AS
1016	Petridish 90 mm, red, BD	3	90x 14,7	PS	AS
1017	Petridish 90 mm, yellow, BD	3	90x 14,7	PS	AS
