SUMMARY

Through my Independent photography I have worked alongside clients, produced deliverables on time and in good quality. I have experience working in profesional environments, keeping an eye out for anything that may come up. I am set on learning, growing and adapting to anything that may come my way.

EXPERIENCE

Independent Photographer

Campion - London

Jul 2025 - Present

Founder and lead photographer for Campion, delivering photography for corporate events and for individuals.

Completed projects: Planning shoots, on-site direction, adaptation, and post-production.

Produced imagery for marketing, e-commerce, and social channels.

Managed client relationships, pricing, and scheduling.

Performed image editing, colour grading, and retouching to professional standards.
