✘ **SEETIZENS LAB SDN BHD**

...

We are an award winning full-service creative community planning (urban planning & design) creative production, Asset Management Agency, digital marketing communications Bumiputera heroes agency.

We take brand-orientated projects from concept through to launch and beyond.

We listen, we question, we challenge with a passion that generates truly creative work for our ambitious clients.

We believe big ideas are usually the simple ones.

They don't come from putting on big advertising caps, but instead, from the shoes of people we talk to.
