EXPERIENCE

SpaceTalk Studio, Graphic Designer

December 2025 - June 2026. India

- Led a refreshed visual identity and website, balancing the studio's legacy with a more contemporary and adaptable design system.
- Focused on clarity, recognition, and flexibility across applications spanning both digital and print environments.
- Designed brand elements and web layouts that reinforced trust while maintaining the studio's established industry presence.

14Lab at DePaul, Art Director

October 2025 - June 2026. Chicago, Illinois

- Work at a student-led studio within DePaul's School of Design, collaborating on real client projects across disciplines.
- Lead art direction across merch, editorial, and School of Design initiatives, ensuring clarity, consistency, and impact.
- Partner closely with faculty and teams to guide creative output while maintaining quality and alignment across deliverables.

Print Lab at DePaul, Assistant

August 2024 - June 2026. Chicago, Illinois

- Supported hands-on print production, exploring materials and techniques while assisting students and faculty on projects.
- Assisted with quality control, troubleshooting issues, and preparing files to ensure accurate and efficient production output.
- Produced signage and print collateral that supported the lab's daily operations and overall workflow environment.

Spark Center at DePaul, Graphic Designer

June - Dec 2024. Chicago, Illinois

- Created motion graphics, animations, and presentations to support the center's research and communication initiatives.
- Developed visuals that translated complex ideas into clear and engaging narratives across print and digital platforms.
- Balanced clarity with creative expression to ensure consistency and accessibility across all visual outputs.

Freelance, Graphic Designer

May 2021 - July 2022. India

- Collaborated with clients on branding and identity projects, including company profiles and print systems for Atmosphere Studios.
- Designed logos, apparel graphics, and supporting assets aligned with each client's visual direction and project goals.
- Managed communication, revisions, and timelines while delivering cohesive solutions tailored to client expectations.

Freya, Co-owner & Designer

June 2020 - July 2022. India

- Co-founded and managed a small business, leading branding efforts from identity and web to packaging and marketing materials.
- Directed product photography and digital content while overseeing budgeting, planning, and day-to-day operations.
- Aligned design decisions with business strategy to strengthen brand presence and support long-term growth.

WORKSHOPS

- Adobe Create Now, Chicago.
Attendee | June, 2024
- Adobe Creative Retreat, Chicago.
Invitational | March, 2024
