

Vynix VR Demo – Quick Start Guide

1. Unbox Your VR Device

- Ensure all components are included: headset, straps, charging cable, and lens cloth.
- Remove protective covers from lenses and sensors.

2. Charge Before First Use

- Connect the VR headset to power using the included cable.
- Allow at least 30 minutes of charging before setup.

3. Adjust the Headset

- Fit the straps securely but comfortably.
- Adjust the interpupillary distance (IPD) for the clearest image.

4. Power On & Connect

- Press and hold the power button for 2 seconds.
- Connect to Wi-Fi or the mobile app if required.

5. Start the Demo Experience

- Select “Vynix Demo Experience” from the main menu.
- Follow the on-screen prompts to begin.

6. Safety Tips

- Use in an open, obstacle-free area.
- Take breaks every 20–30 minutes.
- Stop if you feel dizzy or uncomfortable.
