WORK EXPERIENCE

OJT (On the Job Training)

Phoenix Publishing House

📍 Quezon City

October 7 - October 11, 2019

Took part in Dominican College's immersion or on the job training at Phoenix Publishing House and created vector illustrations for educational textbooks using Adobe Photoshop.

User Experience Designer

Accenture

📍 Global One Accenture

November 2021 - Present

Worked on different client projects and initiatives. Collaborated with developers and stakeholders, created wireframes and design systems, completed project deliverables.

- Created high-fidelity mobile and desktop prototypes for a Healthcare web application in Australia.
- Created an e-commerce Bike web application designed to function as a training module for developers.
- Enhanced the user experience and user interface design of a bundle tool utilized by telecommunications company's sales representatives and call centers.
