Hotel Keycards

Opportunity Scholar's Program

RailsConf 2023 is offering a limited number of full conference registration scholarships. Our scholars program is open to anyone who would not normally attend, though we specifically encourage students, women, minorities, and other underrepresented groups in the technology sector to apply. The Opportunity Scholarship is a chance to jump in to learn more about Ruby specifically and software development in general. Funds secured will help support ticket and travel costs. We encourage all sponsors to submit programming and/or job opportunities specific to junior developers in hopes of diversifying our program and providing direct opportunities to our scholars each year. Join us as we support this important initiative by sponsoring the scholars program.

In that event, the liability of Ruby Central is limited to the amount of fees paid, and Ruby Central shall determine and refund to the Company its proportionate share of the balance of the fees received which remains after deducting all expenses incurred by Ruby Central. In the event, however, that Ruby Central cancels the Conference for any reason other than Force Majeure, Ruby Central shall refund to Company the full amount of the fees paid by Company.

CANCELLATION BY COMPANY: All payments made to Ruby Central or agreed to under this Agreement shall be deemed fully earned and non-refundable in consideration for expenses incurred by Ruby Central and Ruby Central’s lost or deferred opportunity to provide space and/or sponsorship opportunities to others.
