

24by7Health provides access to a leading health and wellness solution that delivers better medical outcomes and a seamless experience to its members 24 hours a day, 7 days a week.

Members have access to an end-to-end digital and remote care program combined with a wellbeing and financial protection solution, powered by world-class service providers.

The full suite of services includes:

Medical Prevention & Diagnostics

Tools to reduce risk and get ahead of health challenges, from self-triage digital health risk assessments to personalized screening plans.

Medical Profile & Health Management

Members can set up a complete medical profile, upload and smartly-file medical records, plus oversee and get alerts on medical appointments and medications.

Mental Health Assessment

A digital mental health risk assessment with summary findings and recommendations.

Cancer Management & Navigation

Continuous and multidisciplinary responses to cancer diagnoses, including access to **world leading cancer specialists**.

Cancer Rehabilitation

Support on the path to recovery from cancer with multidisciplinary advice and personalized rehabilitation management services.

Telehealth

Optional service for employer and affinity groups. Immediate and complete nationwide access to leading medical teams across specialties for responses and prescriptions to everyday health needs.

Fitness and Wellbeing Content

Personalized and guided health and wellbeing experiences including workouts, mental health support, mindfulness, meditations, recipes, and more.

Financial Wellbeing Protection & Support

A digital advisory platform that helps identify gaps in family financial protection and provides personalized and data-driven recommendations to boost financial resilience.
